Welcome to the System Web

This is where Foswiki keeps system documentation, including documentation that is included with optional extensions.

For most people, the System web is read-only; even administrators should not need to modify any of the topics here, though you may want to add your own topics - for example, to answer frequently asked questions from your users.

This site is running Foswiki version **Foswiki-1.1.5**, **Tue, 10 Apr 2012**, **build 14595**, Plugin API version **2.2**
